

Department of Natural Resources Monthly Metrics Update

Submitted September 15, 2015

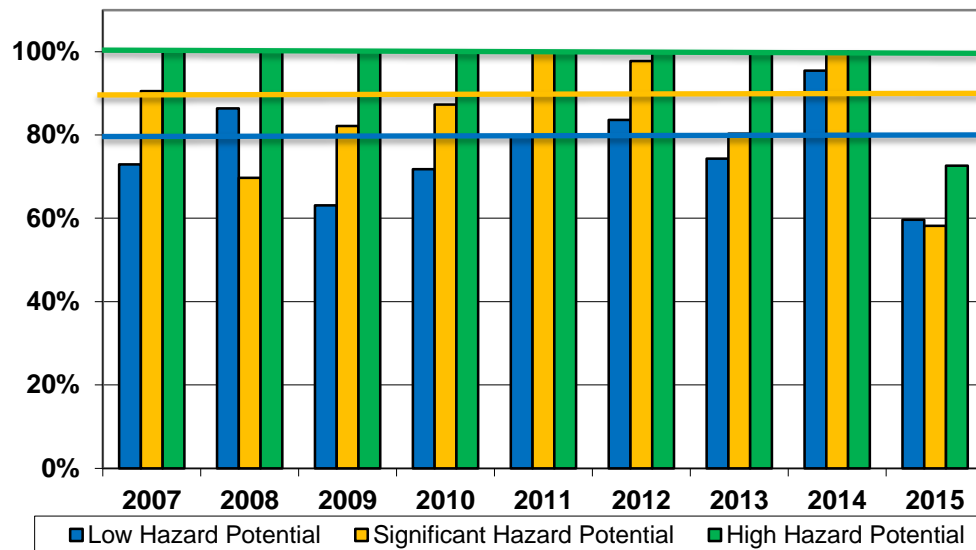

Percent Of Surface Water Applications Approved within 18 Weeks

Percent Of Dam Applications Approved within 90 Days

Percent of Dam Inspections Completed by Year

Notes and Other Important Current Activities

Issues effecting past performance on metrics have included:

- Staffing turnover
- Litigation or other temporary restrictions on permitting
- Development of internal rules/policies for consistent processing of new types of permits or permits in fully or overappropriated basins
- Remaining 2015 dam inspections are scheduled for completion in the fall

All data in this report represents year to date values.
